INVESTORS[®] IN PEOPLE

Established in 1977, Pennyfarthing Homes remains a family business run with the same family values it was founded upon. We pride ourselves on delivering a service worthy of our continued industry recognition for excellence at every level. We know that to get the best from your team, you need to invest in people and that is why we have achieved Investors in People status every year since 2006.

At Pennyfarthing Homes, we strive to deliver quality new homes with outstanding customer service. Danes Park in New Milton is an impressive and exciting development and we look forward to welcoming you to your new home.

Managing Director

**Welcome to New Milton,
a charming market town
close to the New Forest and
stunning Jurassic Coast.**

New Milton is a well-connected market town in the New Forest district, offering a great balance of coast, countryside, and community.

Just six miles from both Christchurch and Lymington, the town provides easy access to the forest, local beaches and the Isle of Wight ferry. A mainline train station links directly to London Waterloo in around two hours.

The town centre includes a mix of high street names, independent shops, banks and a post office, plus a weekly market every Wednesday.

Families benefit from good local schools and well-maintained recreation grounds, while Arnewood Sports Centre offers an excellent range of facilities.

With a choice of 1-4 bedroom homes available, including First Homes and apartments, Danes Park is ideal for those looking to settle in a welcoming, well-served community.

Why buy a new Pennyfarthing home?

Whether you are a first-time buyer, a growing family or downsizing, a brand new house with Pennyfarthing Homes gives you the fresh start you're looking for.

We have been building high quality homes for more than 40 years.

All of our properties are built to a high specification meaning you can expect low maintenance costs and fewer repairs. We also meet the latest environmental standards, making your home more energy efficient and cheaper to run.

Neutral interior colours give you the blank canvas to add your own personal touch and our comprehensive customer care service and 10 year warranty guarantees your peace of mind.

Making your next move with Pennyfarthing Homes makes sense.

More environmentally friendly

More energy efficient

Low maintenance

Lower household bills

10 year ICW Warranty

2 year Customer Care Warranty

Giving you peace of mind in your new home

Where customers come first

At Pennyfarthing Homes, we aim to provide exemplary customer service. That's why 98% of our customers would buy from us again.¹

Our award-winning Customer Ready Certificate (CRC) ensures that every one of our properties has a series of comprehensive checks to address any issues before we hand it over to you.

Our dedicated team is with you every step of the way, helping you to get to know your new home before you move in and checking back again once you're settled.

¹ Based on our 2 year Customer Care Warranty and service customer survey.

Providing 10-year protection

For extra assurance our New Home Warranty from ICW gives you complete protection in the unlikely event that any defects occur during the first 10 years after your home is completed. This includes faults in the walls, floors, roof or foundations.

The ICW warranty is recognised by the Council of Mortgage Lenders and most of the UK's top mortgage providers and lenders.

Development layout and site plan are not to scale. The plan is indicative and intended for guidance only, and does not form part of any contract agreement. It does not show ownership boundaries, easements, levels or wayleaves (if any). Site plan is subject to change during phases of construction. Please speak to a member of the Sales Team for technical drawings. It is imperative that working drawings are discussed and signed against prior to reservation. New and existing trees are drawn indicatively only. Landscaping is shown as a guide only. Please refer to the landscaping conveyancing plan for accurate details. Landscaping layout and materials are subject to change during phases of construction. House numbering is based on plot number.

Nature as your neighbour

At Danes Park, we're creating an Alternative Natural Recreational Greenspace (ANRG) — a thoughtfully planned and managed natural haven that supports both local wildlife and the well-being of the community.

“Biodiversity is at the forefront of the design and construction of Danes Park”.

Matt Dukes, Managing Director.

Danes Park ANRG will provide woodland, wildflower meadows, native hedgerows, ponds, a stream and grassland. Existing habitats will be protected and encouraged to thrive, whilst a professionally managed long-term care plan will ensure it only gets better with time.

For more details, ask for a copy of our Biodiversity Plan.

Energy efficient, sustainable homes

Image is representative only, make and model may vary.

Homes at Danes Park are designed to minimise environmental impact while maximising energy efficiency.

Features will include EV chargers and heat pumps,* and homes will be built to high standards of insulation and sustainability, resulting in comfortable, future-ready properties that support modern living and environmental responsibility.

* Please speak with a Sales Advisor for plot specific information.

Homes will benefit from heat pumps, EV charging points and superior insulation to provide year-round comfort, lower energy bills and a reduced environmental footprint.

“Pennyfarthing are such a good company to deal with. It was one of the big plus factors of buying from an established local, family housebuilder.”

Sophie and Jack
Pennyfarthing Homeowners

“Our home is beautifully decorated, has lots of space and a lovely outlook onto fields. We have very friendly neighbours and it’s a small, exclusive development which feels just right.”

Hilary and Martin
Pennyfarthing Homeowners

“The Sales Team kept us up to date with the progress of the build, which definitely helped reassure us along the way.”

First Homes at Danes Park

Pennyfarthing are offering a range of new homes at Danes Park at a substantial 30% discount* against their market value through the New Forest District Council's First Homes Scheme.

pennyfarthinghomes.co.uk

What is the First Homes criteria?

When a First Homes plot becomes available, you can apply to have your eligibility confirmed when you are ready to reserve. The eligibility criteria are set by the Government and New Forest District Council.

Use a mortgage or home purchase plan for at least 50% of the purchase price. After the discount has been applied, the first sale of the property must be at a price no higher than £250,000. If you decide to sell the property, the home will be independently valued, and the scheme discount will be re-applied to this new value for the next owner.

Discount of 30% of the market price.*

Household income not exceeding £80,000.*

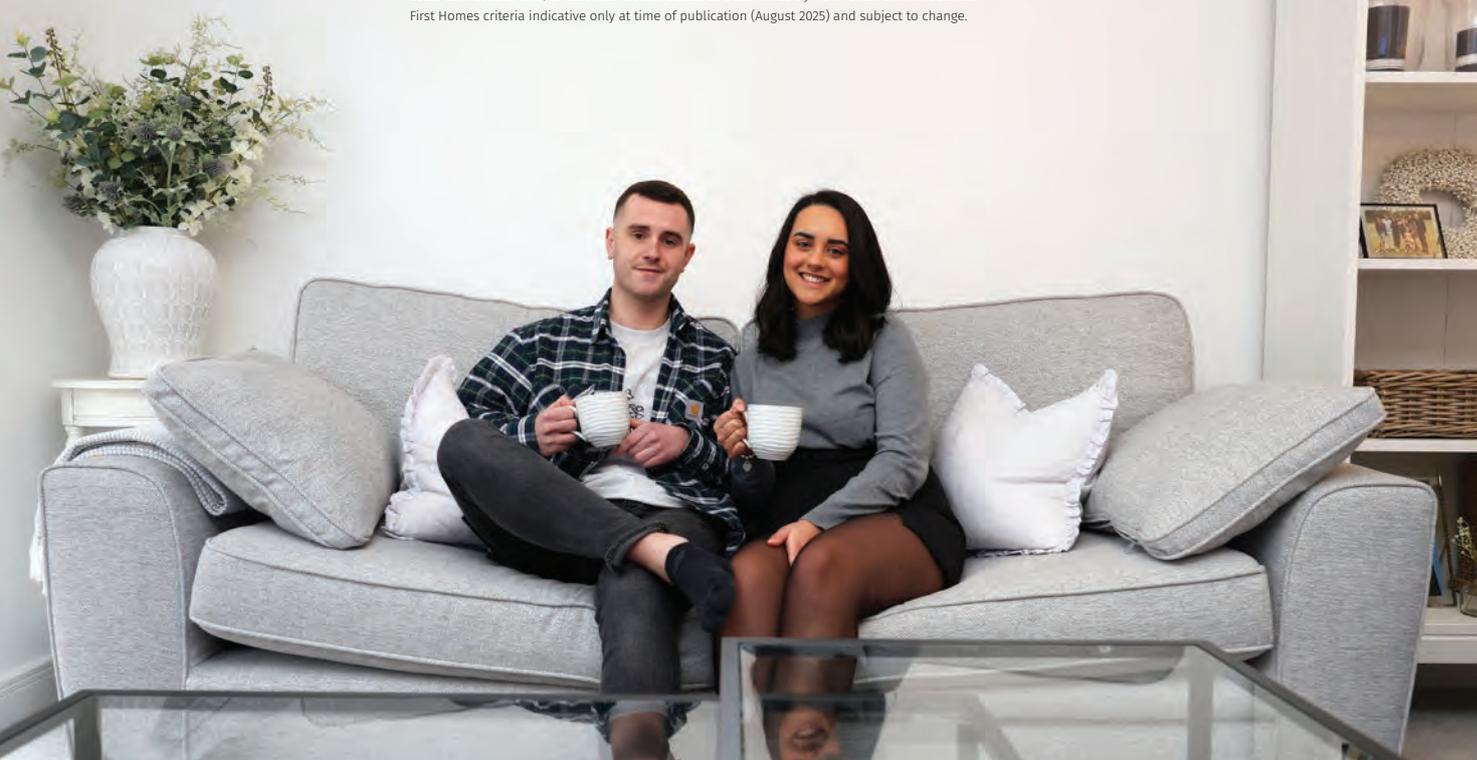

Property must be your first home.*

Who can apply?

- ✓ Local first-time buyers and/or Essential Workers[^] including nurses, police, firefighters and teachers. Some professions will also take priority. These include serving members of the armed forces and veterans.
- ✓ If buying as a couple, neither partner can have previously owned a home.
- ✓ Buyers must have a household income not exceeding £80,000.
- ✓ The property must be your only home.
- ✓ You need to use a mortgage or home purchase plan for at least 50% of the purchase price.

[^]Local connections and/or Essential Worker status as determined by New Forest District Council.
First Homes criteria indicative only at time of publication (August 2025) and subject to change.

New Milton: where coastal cool meets forest charm

Nestled between the sparkling south coast and the ancient New Forest, New Milton offers the perfect mix of seaside relaxation and vibrant community life.

This popular Hampshire town offers the perfect mix of seaside relaxation and vibrant community life, ideal for first-time buyers looking to put down roots in a place that balances nature, convenience, and modern living.

With independent cafés, local markets, and a thriving arts scene, there's plenty to explore — and for the active, cycling trails, paddle-boarding, and scenic walks are just the start.

Excellent rail links get you to Bournemouth in 20 minutes or London Waterloo in under two hours, making New Milton a smart choice for commuters and creatives alike.

Danes Park offers a stylish collection of contemporary homes designed specifically for first-time buyers — bringing modern living to the heart of this thriving, well-connected town.

Nature as your neighbour

At Danes Park, we're creating a beautiful greenspace. Called an Alternative Natural Recreational Greenspace (ANRG), it's an important natural park that's more than just landscaping — it's a thoughtfully planned and managed sanctuary for both wildlife and residents.

Danes Park ANRG will provide woodland, wildflower meadows, native hedgerows, ponds, a stream and grassland. Existing habitats will be protected and encouraged to thrive, whilst a professionally managed long-term care plan will ensure it only gets better with time.

For more details, ask for a copy of our Biodiversity Plan.

“Biodiversity is at the forefront of the design and construction of Danes Park”.

Matt Dukes, Managing Director.

Next Steps...

1.

Confirming your financial qualification

This would involve a chat with an Independent Financial Advisor who will be able to give you and the sales team the thumbs up to proceed. They may require further information to get a Mortgage Agreed in Principle and confirm which lenders are working alongside the First Homes scheme.

2.

Confirming your position

As well as both parties being first-time buyers, there will also be the need to confirm your local connection, and/or Essential Worker status[^]. This will be done through a questionnaire in conjunction with an Independent Financial Advisor.

[^] Local connections and/or Essential Worker status as determined by New Forest District Council. First Homes criteria indicative only at time of publication (August 2025) and subject to change.

3.

Time to pick your plot & complete a First Homes application

A First Homes application will need to be completed alongside a reservation agreement and a payment of £500 to be made (don't worry this is fully refundable). This will be done through a questionnaire in conjunction with the Sales team and Financial Advisor.

4.

Once completed

The paperwork will be sent to the Local Authority, who will confirm eligibility, and issue "Authority To Proceed" paperwork to you as the customer and your chosen solicitor.

5.

Let the journey begin

Once all the stages have been completed our Sales Advisors will begin to guide you through the next part of your home buying journey.

“The buying process was so much easier than we expected. We simply submitted our forms and supporting documents, and once we were confirmed as buyers, everything progressed smoothly.”

BIODIVERSITY PLAN

GREENSPACE WITH PURPOSE

PENNYFARTHING
Builders of Quality Homes

Discover your natural escape at Danes Park.

As part of our Danes Park development, we're creating a beautiful, natural greenspace.

This space — called an Alternative Natural Recreational Greenspace (ANRG) — is made for both wildlife and people to enjoy. Designed as a peaceful retreat beside your new home, it's an important green haven that's more than just landscaping — it's a thoughtfully planned and managed sanctuary for both wildlife and residents.

“Biodiversity mitigation and enhancement is at the forefront of the design and construction of Danes Park”.

Matt Dukes, Managing Director.

A place where nature, people and wildlife can thrive together.

Key Features

Wildflower meadows & grassland trails

Gorgeous open areas planted with colourful wildflowers—perfect for walks, picnics, and wildlife spotting.

New trees, shrubs & hedges

Hundreds of native trees and plants being added to make the space feel wild and natural—and give birds and bugs new homes.

Wildlife homes everywhere

Enhancements such as bat and bird boxes, loggeries and hedgehog houses.

Nature-friendly drainage (SuDS)

Attenuation basins that help with rainwater and double as safe spots for frogs, reptiles, insects, and birds.

Wildlife corridors

Natural paths and planting help animals like reptiles and hedgehogs move safely through the area.

Natural footpaths

Easy-to-follow paths winding through meadows and around wet areas, with information boards explaining what's around you.

Regular care & clean-up

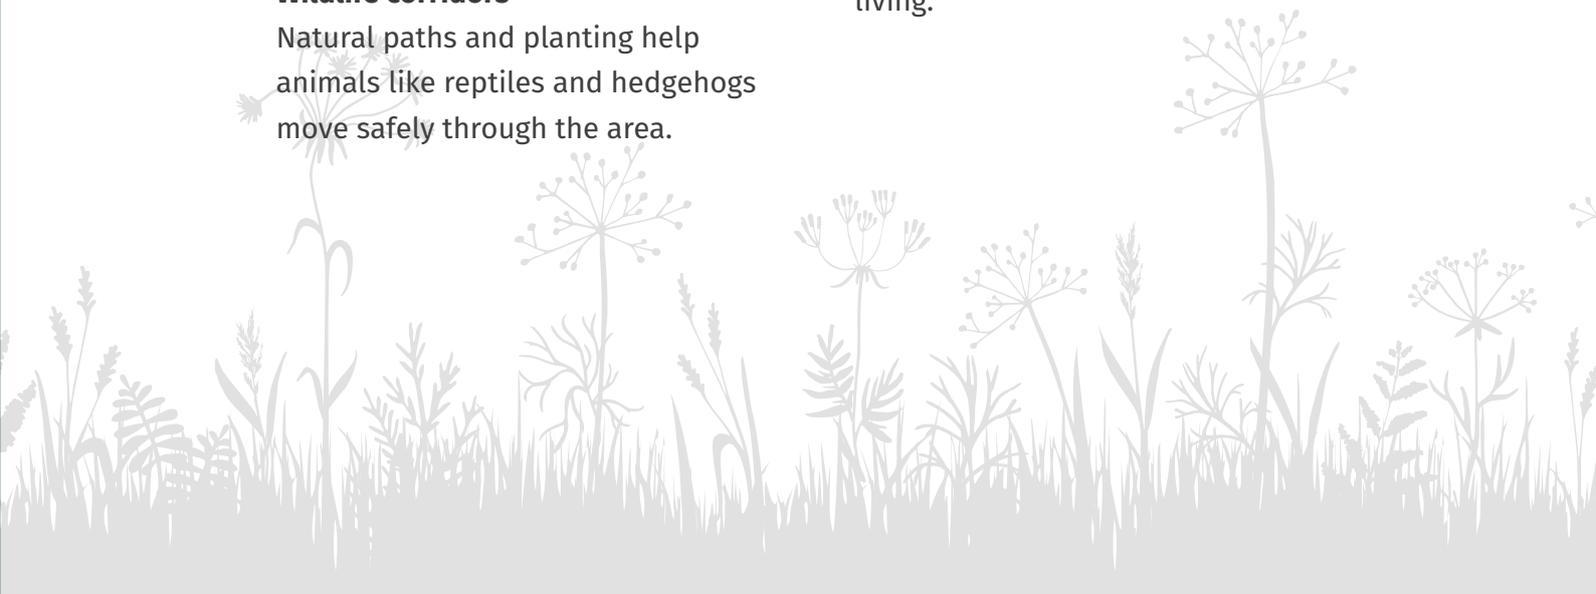

Everything will be maintained for years—grass cut properly, wildlife cared for, and paths kept tidy.

Long-term plan

Managed and improved over 25+ years to stay beautiful and support wildlife.

Why it matters

- Helps protect sensitive areas in the New Forest.
- Creates a peaceful escape on your doorstep.
- Supports biodiversity and green living.

Enjoy a living landscape, with nature as your neighbour.

Danes Park ANRG and Public Open Spaces (POS) will provide woodland, wildflower meadows, native hedgerows, wetland areas, a stream and grassland. Existing habitats will be protected and encouraged to thrive, whilst a professionally managed long-term care plan will ensure it only gets better with time.

- ✓ Existing woodland will be enhanced through supplementary vegetation and new habitat created through planting of native species, including: Oak, Hazel, Silver Birch, Cherry, Crab Apple, Great Willow, Hawthorn, Holly, Blackthorn, Field Maple, Wild Privet, Dog Rose & Meadowsweet.
- ✓ Gaps in hedgerows will be repaired and new native flowering hedgerows will be planted throughout the site, providing food and nesting space.
- ✓ Sustainable Drainage Systems (SuDS) are specially created and will occasionally pond to manage rainwater naturally while creating safe, wetland-style habitats.
- ✓ A sensitive lighting strategy will ensure minimal disturbance to bat foraging and will protect nocturnal wildlife.
- ✓ Easy access trails with educational information boards will run throughout the ANRG.
- ✓ Wildflower meadows will bloom with native flowers, attracting bees, butterflies and birds. Informal, regularly mown pathways will meander through the meadows and grassland - perfect for dog walks, weekend strolls or running.
- ✓ Other convenient amenities throughout the ANRG will include play areas, dog waste bins, benches and picnic spots.

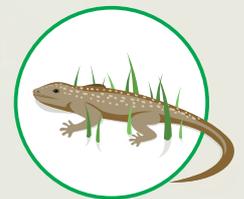

Birds and bats will benefit from enhanced habitat and increased food sources.

Bird and bat boxes will be placed in mature trees and buildings throughout the development.

Hedgehog houses will be placed in suitable foraging habitat, whilst holes in fence panels will create 'hedgehog highways' allowing them to easily move between gardens.

Quiet areas of longer grass will be left for **reptiles and invertebrates**.

Natural log piles will provide a safe invertebrate habitat.

KEY: — ANRG outline ● Bird box ● Bat box ● Hedgehog house ● Log pile

“Nature is not a place to visit, it is home.”
